

Provider Directory Search Results

December 16, 2015

Search Criteria

Search Radius: 60 Miles
Location: Weslaco, TX
County: Hidalgo County

Thank you for using our online provider directory. The directory results are sorted by provider type and specialty, then by provider or facility name (within the mileage radius or area selected).

Our network strives to contract with providers who understand and support disability management through the utilization of appropriate medical services and aggressive efforts to return injured or ill workers to full or modified duty as soon as medically appropriate.

If you require further assistance locating a network health care provider, please call network administration at (888) 252-5075 x3.

Directory Format & Description of Provider Types

Hospitals: Patients seeking medical care for emergency care.

Treating Doctors: Patients seeking initial, non-emergency treatment may see the following specialty types for treating doctor care: emergency medicine, family practice, general practice, internal medicine, occupational medicine, and urgent care.

Specialists (referral required): Patients seeking specialty care such as general surgery, hand surgery, orthopedics, orthopedic surgery, neurology, neurological surgery, and chiropractic upon referral from a treating doctor.

Ancillary Providers: Patients seeking services such as an MRI, CAT scan, durable medical equipment, home health care, lab, and physical therapy.
